2. DECLARATION

- I hereby commit to assume my financial responsibility to the school.
- I understand that my child is expected to take part in school educational activities, including sport, culture and sponsored trips away from the educational facility.
- I agree to uphold and support the high academic standard of the school by providing a place at home for my child to study and by encouraging him/her in completion of any homework or assignments.
- I appreciate the standards of the school and do not tolerate profanity, obscenity in word or action, dishonouring God or the Word of God, or disrespect to the staff of the school. I hereby agree to support regulations published in the school policy on the applicant's behalf and authorise the school to employ discipline as it deems wise and expedient for the training of my child.
- I will support the high moral standard of the school by screening the internet/phone content, books, magazines, TV-programmes my child is exposed to as well as keeping wise track of the friends and company they spend their time with.
- I understand that the school reserves the right, after parental conference, to dismiss any child who fails to comply with the established regulations and discipline or whose parents do not assume their responsibility to the school.

3. STATEMENT ON DISCIPLINE

Cresta College is a school offering high-quality Christian education. Our commitment is to work with the home and not to assume parental responsibilities. Whenever a learner does not achieve the academic goals with regard to the annual projections and/or the learner does not give his full cooperation as required, the school reserves the right to take appropriate disciplinary action against learners who do not cooperate in the educational process, and the application for re-enrolment of the learner might be unsuccessful.

Please consider the following:

- I recognise that Cresta College has qualified and trained staff, and I have confidence in their abilities to perform the educational functions due for my child, at their discretion.
- I undertake that should an incident involving my child take place at school, I will inform the school from my side, so that the administration may thoroughly investigate the incident and the circumstances surrounding it.

I have read and understand my responsibilities concerning the content of the above document.

FATHER	MOTHER	DATE	PLACE

- I fully realise that building strong relations with my child’s supervisor to aid in the training of my child is as much my responsibility as it is the school’s and I will cooperate with them in discipline, accepting their judgment in all matters; lay a spiritual foundation through example in the home; follow through with any work, assignments or slips to be signed; cooperate in training the child to respect school property and pay for irregular abuse of the same; attend all parent functions; and assist in publicising the school and its programs in a positive way among friends.
- I realise that attending Cresta College is a privilege and not a right. It is my intention to abide by the decisions and support the discipline of the administration.
- I have read the content of this document and I understand it perfectly well, including the implications should I miss the opportunity to cooperate with the school authorities in the above issues.

4. GENERAL POLICY

- Learners are expected to abide by these standards of conduct throughout their enrolment whether at home, school or elsewhere.
- Learners found to be out of harmony with the school’s ideals of work and life may be suspended or expelled whenever the Administration determines that it is a necessary action.

TO BE COMPLETED BY LEARNER(S)

As a learner of this school, I pledge to uphold the school’s standard against cheating, smoking, gambling, rave-dancing, using alcohol, drugs or using indecent language and will act in a very orderly and respectful manner. I will maintain Christian standards in courtesy, kindness, morality and honesty. I strive to be of unquestionable character and dress, conduct and other areas of life. I agree to abide by the above standards of conduct and other regulations expected of each student enrolled in this Christian school while I am a student attending the school.
